◀ About Us

Al Artiqaa Arabia General Contracting Co. is a Saudi national company committed to delivering integrated contracting and equipment rental solutions that meet the highest standards of quality, safety, and performance.

Since its establishment, the company has actively contributed to the Kingdom's development by supporting major construction, industrial, and infrastructure projects in alignment with **Saudi Vision 2030** — aiming to build a sustainable and advanced national economy.

Driven by innovation and professionalism, we provide a wide range of services including **civil works, infrastructure development, equipment rental**, serving both public and private sectors.

Our team of engineers, technicians, and operators work together to ensure every project is executed efficiently, safely, and on schedule.

At **Al Ertiqaa Arabia**, we believe that progress comes through reliability, technology, and partnership.

Our mission is to be a trusted partner in achieving the Kingdom's ambitious transformation goals by **building with precision, empowering local talent, and delivering lasting value** to our clients and communities.

“Together, we build the future — inspired by Vision 2030.”

← Vision

To be one of the **leading Saudi contracting companies** contributing to the achievement of **Saudi Vision 2030**, by delivering innovative, safe, and sustainable construction and equipment rental solutions that empower national development and inspire future generations. We aim to **build with excellence, employ local talent, and embrace modern technologies** that drive efficiency and quality in every project. Through continuous growth and strategic partnerships, **Al Ertiqaa Arabia General Contracting Co.** strives to be a symbol of reliability and progress — a true partner in building the Kingdom’s bright future. **“Empowering Vision 2030 — Building the Nation with Integrity and Innovation.”**

← Mission

To deliver **high-quality contracting and equipment rental services** that support the goals of **Saudi Vision 2030**.

We strive to provide **safe, efficient, and innovative solutions** through skilled teams, advanced technology, and strong project management.

At **Al Ertiqaa Arabia**, we build lasting partnerships based on **excellence, integrity, and sustainability** — contributing to the Kingdom’s growth and future success.

“Building with purpose — serving the Kingdom with pride.”

← Values

Excellence – Delivering top-quality results in every project.

Integrity – Acting with honesty and transparency.

Safety – Protecting people, property, and the environment.

Innovation – Adopting modern methods and technologies.

Teamwork – Building success through collaboration.

“Our values drive our success.”

Integrity:

At **Al Ertiqaa Arabia**, integrity is the foundation of everything we do. We conduct our business with **honesty, transparency, and accountability**, ensuring that every decision reflects our commitment to ethical practices and long-term trust with our clients and partners.

“We do what’s right — even when no one is watching.”

Innovation and Professionalism:

At **Al Ertiqaa Arabia**, we believe innovation and professionalism are key to sustainable success. We continuously adopt modern technologies, advanced equipment, and smart solutions to improve efficiency and quality.

Our team upholds the highest professional standards, ensuring every project is executed with precision, safety, and respect for our clients’ goals.

“Innovating with purpose — delivering with professionalism.”

Long-Lasting Partnerships:

At **Al Artiqaa Arabia**, we build strong and lasting partnerships based on **trust, transparency, and mutual success**.

Our goal is to be a **reliable partner**, delivering consistent quality and value in every project.

“Built on trust — growing together.”

Communication:

At **Al Artiqaa Arabia**, we value **clear and open communication** as the key to successful collaboration.

We ensure **transparency and responsiveness** with our clients, partners, and teams to achieve shared goals effectively.

“Clear communication builds strong connections.”

◀ Services

We offer a wide range of contracting works that include:

Equipment Rental

Providing a wide range of **heavy and light equipment** for construction and industrial projects — with or without operators.

Including: excavators, loaders, forklifts, bulldozers, bobcats, cranes, generators, air compressors, and more.

Transportation & Logistics

Offering **safe and efficient transportation** of equipment to and from project sites, including loading and offloading support.

On-Site Maintenance & Technical Support

Providing **preventive and emergency maintenance services** to ensure maximum equipment performance and uptime.

Flexible Rental Contracts

Offering **short-term and long-term rental options** tailored to meet client needs and project timelines.

Safety & Compliance

Ensuring all equipment meets **Saudi safety and quality standards**, aligned with the goals of **Vision 2030** for operational excellence and sustainability.

◀ Our Equipment

At **Al Ertiqaa Arabia for Equipment Rental**, we take pride in providing a **diverse and well-maintained fleet** of heavy and light equipment to support construction, infrastructure, and industrial projects across the Kingdom.

All our equipment is **regularly inspected, safety-certified, and operated by skilled professionals**, ensuring reliable performance on every job site.

Below is a selection of our available equipment:

Certificates

We are proud to have obtained certificates documenting the quality of our work, our experience and our contribution to the advancement of the contracting field in the Kingdom of Saudi Arabia.

◀ Success Partners

We are pleased to form successful partnerships with our clients and strive to maintain these strategic relationships and form new ones as well
